

Wild Things: A Chicagoland Vampires Novel

Since Merit was turned into a vampire, and the protector of Chicagos Cadogan House, its been a wild ride. She and Master vampire Ethan Sullivan have helped make Cadogans vampires the strongest in North America, and forged ties with paranormal folk of all breeds and creeds, living or dead or both. But now those alliances are about to be tested. A strange and twisted magic has ripped through the North American Central Pack, and Merits closest friends are caught in the crosshairs. Gabriel Keene, the Pack Apex, looks to Merit and Ethan for help. But whoor what could possibly be powerful enough to out-magic a shifter? Merit is about to go toe to toe, and cold steel to cold heart, to find out.
