

Willing Victim: Remastered

For the past couple years Laurels been coasting, hiding in the backseat while her life drifts off course. Then one summer afternoon a tall, built bruiser named Flynn strides in and steers her straight into an infatuation she never saw coming. Flynn introduces Laurel to things shes never imagined before to the violent but exciting realm of the underground boxing circuit, to rough sex and even rougher role-playing, and to an attraction she craves even as it intimidates her. As Flynn invites her deeper into his world and his life, Laurel has to make a choice let fear keep her holed up where its safe, or take a chance and fight for the man who makes her feel more alive than shed dreamed possible.
