

The Witching Hour

From the writer of *BATMAN: THE LONG HALLOWEEN* and *BATMAN: HUSH* the atmospheric graphic novel by award-winning writer Jeph Loeb (*BATMAN*, *BATMAN: DARK VICTORY*) with art by Chris Bachalo (*STEAMPUNK*, *DEATH: THE HIGH COST OF LIVING*) is now available once more. The setting is Manhattan, where the mysterious Amanda Collins moves through the troubled lives of ordinary people armed with little more than a blank white business card and a strange, supernatural presence. She's giving them the chance to change their lives, but the choice they make will depend entirely on the forces that already exist in their hearts. At the crossroads of the supernatural and the very real, this book spins bold, provocative tales of sin, magic and redemption.
