

## Wormwood T01: Gentleman Zombie (French Edition)

Wormwood est a l'image de son createur. Loufoque, irrespectueuse envers les mollusques marins et ne prenant au serieux aucune menace extra-terrestre L'histoire surprenante et tordante dun asticot pensant qui enquête. Wormwood est un asticot echappe d'une dimension infernale qui boit de la biere, fume et accessoirement habite des cadavres. Entoure d'une equipe eclectique de personnages le tres renferme Monsieur Pende et une immortelle appelee Medusa , il passe son temps a sauver le monde d'invasions demoniaques et autres parasites ayant pris possession de strip-teaseuses zombies. La BD dejante du mois par l'Australien qui sest deja occupe des vampires avec le fameux 30 jours de nuit. Casemate Jouant avec des matieres organiques et des couleurs intenses, le dessin [de Templesmith] na jamais ete aussi expressif. Il simpose de plus comme un scenariste talentueux, a l'humour efficace et aux dialogues tordants. Bodoi La serie d'horreur a plus hallucinante de cette rentree. Du tres, tres grand Templesmith !
