

Princess of the Ravens (Paranormal Erotic Shorts Book 0)

After many years in hiding, Princess Verity tracks down the king's twelve sons in a neighbouring kingdom. As gifts for the twelve men, she plucks twelve enchanted lilies from a witch's garden. Immediately, the men are turned to ravens. According to the enchantress's spell, Verity must not make a sound for seven years or the twelve princes will die. At once, Verity is found by a royal who takes her home for his bride. The Queen shows her mercy--by confining her to a tower for seven years. The raven Benjamin visits her daily. When they learn to communicate without words, Benjamin reveals a secret that allows their love to blossom. Will Verity escape the arrogant prince, or be forced to wed? How can a raven become her saviour?

Warnings: Princess of the Ravens is an erotic romance fairy tale adaptation.

Appears in the anthology Blood Addict.

Word Count: 5,300 Excerpt: Together, they counted down the days until Verity would be wed to the prince for whom she held no affection. It is you I love, she told her raven boy, in her way. How can I marry another? Leave it to me, he sang, and she smiled. She knew she could trust him, just as she knew he saw every delectable imagining that entered her mind.

In that moment, she caught herself recollecting that this was the day of her birth, and she was now a woman in every sense. As soon as the thought struck her, she knew she had conveyed it to Benjamin, and they both fell more silent than they had ever been with one another. Where do you go in the night? she asked him, in silence. What do you do when you are not at my side? In the night he crowed. In the night, I am transformed. In the night, I am a man. Verity's heart froze in her chest. She recognized well the urges in her own body, and she could only imagine how it must be for Benjamin. He was, after all, a brutish man as the waiting maids called them, and he was older, as well. Must she dwell on

the ideas of what he did in the night? With other women? *** Giselle Renarde is a queer Canadian, avid volunteer, and contributor to more than 100 short story anthologies, including Best Womens Erotica, Best Lesbian Erotica, Best Bondage Erotica, and Best Lesbian Romance. Ms Renarde has written dozens of juicy books, including Anonymous, Ondine, and Nanny State. Her book The Red Satin Collection won Best Transgender Romance in the 2012 Rainbow Awards. Giselle lives across from a park with two bilingual cats who sleep on her head.
