

Zombie Tales: Death Valley #2 (of 2) (Zombie Tales: Death Valley Vol. 3)

Samantha and her pals get a bit more comfortable in their role as the last people on earth - they've got their pick of sports cars, machine guns, and are holing up at the Playboy Mansion! But things get more deadly and even stranger when they realize that these zombies' predatorial instincts are stronger and deadlier! Can these zombies possibly be capable of thinking on their own?
